ADMMicro Sponsors American Cancer Society Golf Event at Smith Mountain Lake

Roanoke, Va. (April 21, 2008)— ADMMicro, Inc. is a title sponsor for the American Cancer Society's inaugural *Swing Fore a Cure* golf tournament to be held June 23, 2008, at the Water's Edge Golf Course at Smith Mountain Lake. Proceeds for the event will benefit cancer research, education, advocacy, and patient service programs in local communities.

“We are proud to support an event that helps a cause that touches so many lives,” says Don Howell, ADMMicro's President and CEO. “It's an opportunity for us to give back to the community while contributing to the fight against cancer.”

More than two dozen teams will participate in the first-ever tournament, which is expected to become an annual event. For more information about the event and its sponsors, contact mark.hurley@cancer.org.

About ADMMicro

Headquartered in Roanoke, Va., ADMMicro offers a new breed of intelligent energy management systems equipped with revenue-grade accurate metering devices to monitor electricity, natural gas, propane, or water consumption. The patent-pending system can enhance security systems and manage retail maintenance service calls. The Energy Management System delivers rapid ROI for buildings of 1,500 square feet and up. ADMMicro is an Energy Star partner. (www.admmicro.com)

About the American Cancer Society

The American Cancer Society is the nationwide community-based voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer through research, education, advocacy, and service. With more than two million volunteers nationwide, the American Cancer Society is one of the oldest and largest voluntary health agencies in the United States. (www.cancer.org)
